

2011 NCCC CONVENTION UPDATE
February 10, 2010

Hi everyone,

This is the monthly update for the 2011 NCCC Convention hosted by our region, the Midwest Region of NCCC.

We continue to have our monthly Convention progress meetings on the first Tuesday of the month at the Tinley Park Convention Center in Tinley Park, Illinois. This is the site of the 2011 Convention and also the site for the upcoming 2010 Midwest Region Annual Party on March 13th, 2010. You do not want to miss this party for the fun, food, entertainment, awards for competitors from 2009, and socializing with your friends and fellow corvette members. On this date and before the party you will be able to tour the Convention Center and Hotel and see first hand the plans that are in place for the 2011 Convention. If you are able to ATTEND this fun event and spring fever outing, go to the MRW web site and there you will find all the information about the party and the tour of the center. The MRW is funding part of the party cost for this event. Don't miss out on this fun evening.

Convention wise, things are starting to come along. We have a Convention Logo that we will show at the Regional meeting in St. Louis and at the Regional Party for all to see. We also have an updated DVD about Convention we plan to view at the afternoon meeting in the Convention Center on March 13th prior to the tour.

Our merchandise team has been working very hard to provide everyone with the best for the least. This will include all the 2011 Convention shirts, hats, and goodies that will be available for us and all NCCC members this summer.

Coming this June the MWR will have a booth with a tent, chairs, and table for us to promote the 2011 Convention. If you are willing to work one day promoting 2011, you will be able to get into the Bloomington Gold show for free. (around \$20 for one day per person) Let me know which day you can help. The dates are June 24, 25, 26, and 27, 2010. I will need about 10 people to help.

I hope to see most MWR governors at the NCCC meeting coming up the end of this month to hear the latest news about 2011. There is a lot of exciting things planned you don't want to miss out on. For the latest information check out the MWR web site under 2011 Convention Plans. There are still positions open for you to help.

Thanks for you support and interest in NCCC Convention 2011.

Dave Heinemann
2011 NCCC Convention Director
