

2011 CONVENTION UPDATE

May 11, 2010

This has been a quiet month as the planning for convention in Tinley Park progresses. Larry and I did not have a conference call meeting this month due to the fact it would have been two days after the Regional Meeting in St. Louis on May 1, 2010.

At the Regional and National meetings the Merchandise Team presented a sample shirt with the 2011 full size logo on the front for all to see. As funds become available there will be more items to choose from for the 2011 Convention. I think everyone will be very pleased with the final product that the team has produced. Soon there will be an order form on the Midwest Region Website for you to view and order.

On Friday at the Florida Convention in July we will be able to start selling our 2011 Convention merchandise. At that time everyone can start to wear their shirts and hats promoting the 2011 Convention.

For the next several months we will be working behind the scenes with several of the team leaders preparing and reviewing the steps involved in completing their task. The teams in June are the Mall chairperson, Beverage chairperson, and Publication chairperson. Each month during the conference call, we plan to bring in several chairpersons to review all that needs to be done within the individual task. This is easier to deal with a few each month than trying to do every chairperson in a short time next year. Larry and I have placed time lines to each task as to when they need to enter the conference call.

There are still a several openings left for anyone who wants to be part of this exciting event happening in 2011. Please check the Midwest Region Website at www.mwregion.com 2011 plans and see spots are available for you or your club to get involved. This is going to be a fun week for all of us working together for NCCC and all of the members coming to Tinley Park in 2011. Don't miss out on your chance to be part of the best convention yet.

Thanks in advance for all you ideas and input..

See you all soon planning for 2011,

Dave Heinemann
Director 2011 Convention
