

2011 CONVENTION UPDATE

July 12, 2010

Hello again to everyone keeping up with what is planned for the fun in June 2011 in Tinley Park.

Our merchandise team of Nancy Bailey and Diana Haack, now has the forms up on line on the Midwest Region web site to review and order your 2011 Convention merchandise. Take a look at the nice items they have for you to wear. More things will be available as we get closer to the convention date.

This past month in June many of us were at the Bloomington Gold Corvette Show in St. Charles, IL helping out at the 2011 NCCC Convention booth promoting the 2011 convention, answering questions and passing out an informational flyer about convention. I would like to thank everyone who came out for a day to help with this. A special thanks to John Baldo for making sure everyone who helped got entry into the show at no cost. Also a special thanks to Thom and Sheila Schultz who came to sell raffle tickets for the 2010 Grand Sport Corvette to be given away at the Florida Convention. Thom and Sheila were there all four days caring for the booth and passing out information on NCCC membership, 2010 Convention, NCCC Charity, 2011 Convention, and helping out as members showed up to assist each day. This was a great adventure at the largest and oldest corvette show in the nation. Forty-Five Thousand corvette people show up each year and we had prime location to promote NCCC and all there is to do as a member.

The Florida Convention is less than two weeks away. The Midwest Region will be there promoting our convention in 2011 at the corvette mall in the hotel. We will have a selection of merchandise to show and sell to all who are attending. If you see something you would like and would like to pick it up during the convention week, let Nancy or Diana know so that they can have your size and color ready for you.

As soon as the Florida convention is over on July 30, the Midwest Region will be cut loose to promote the 2011 convention all we want. I have a lot of ideas on how we can get the word out about the convention next year in Tinley Park, but we need each of you as members of the Midwest Region to help get the word out to your friends, club members, and anyone you know of who owns a corvette and has never had the convention experience. We plan to have a good time in June 2011 and it won't be something you want to hear about after it is over. So start talking it up now!

This is it for this month. There are still one or two tasks we could use some help with, as well as many tasks that need a co-chair. Look at the opportunities on the MWR web site under Convention plans 2011.

Thanks for all your interest and excitement so far. Look forward to the best week in your life in 2011.

Dave Heinemann

Director NCCC 2011 Convention
