

SUNDAY, APRIL 7, 2024
2:30PM

Five Points Washington Caterpillar Performing Arts Center

\$20 Adults

\$15 Kids 12 and under

All ticket sales are donated to St. Jude Research Hospital

There are many car collectors across the country, but there are very few original car collectors. Amongst his car collection, Ray's motor coach has been to St. Jude 21 times.

St. Jude is something that is near and dear to Ray's heart, primarily because of his oldest sister Verna. Join us at the second screening of local film *Hearts of Gold The Ray Fauber Story*, as we help to raise money for the kids of St. Jude.
