

Suburban Corvettes of Minnesota invites car enthusiasts to drive and enjoy their favorite cars at the Brainerd International Raceway Competition track. Our experienced instructors are on hand to provide advice and guidance to both novice and experienced drivers, ensuring you make the most of your track time. Our community of friendly, talented drivers is always ready to share their experiences and help others develop their skills. Track days not only provide the thrill of high performance driving but also the opportunity to make friends, share experiences, and get advice. Our events offer approximately 2.5-3 hours of track time. Participating in BIR Drivers School and Track Days includes benefits such as in-car instruction for different driving levels, a well-organized event promoting safety, maximum track time, and post-event socializing. Our events are designed to accommodate most car makes and models, ensuring an inclusive, enjoyable experience for all.
