

#1 ~ Jack Wilson

Northern Illinois CC

Midwest Region

NCCC member and competing since 1991

What I will remember most about competing in 2006:

The days on the road traveling across the country with my wife Janet, meeting new friends and renewing old friendships. All regions, host clubs, workers and competitors were most welcoming.

My plans for the future are:

Enjoy competing, supporting the NCCC organization and do more vacation pleasure traveling.
