

The 2007 year has successfully come to a close for the Midwest Region. We have completed 152 sanctioned events. We have over 150 events planned again for 2008 with all the enthusiasm of having another banner year.

My reign as MWR RCD has come to a close after five years. The elections were completed in November and Paul Haack will be the new MWR RCD for 2008. I will be taking over as the NCCC Vice-Pres. Competition. I am looking forward to this new opportunity to serve the NCCC membership to lead our talented Competition Committee to develop further enhancements of our Competition Program.

I would like to recognize the following MWR Clubs, Men, & Ladies as the final Top Ten for 2007:
