

## FCOA MEMBER #4200 ~~ BRYNLEE

This little charmer, Brynlee, became FCOA member #4200 when her great-grandparents gave her the membership and a FCOA bib as baby shower gifts. WOW! Brynlee is a *second-generation* FCOA member! Her mom, Ashley, was assigned FCOA member #0851 when she joined in 1998 and her Uncle John is FCOA #0852. Her great-grandparents Jim and Joan Thomas have been active members of Northern Illinois Corvette Club, the Midwest Region and NCCC for 16 years.

Brynlee was born on Halloween, a special "treat" for her whole family. She will celebrate her 1st birthday in 2010. When Brynlee isn't cuddling with her mommy she's learning to be friends with her puppy Dallas, an unusual mix of Chihuahua and Great Pyrenees. Her mom is a gymnastics & cheerleading coach and Brynlee enjoys going to cheer competitions with mommy where she always gets a lot of attention from everyone in the KidsSPOT family. Brynlee will probably follow in her mom's footsteps by being involved in gymnastics and cheering as soon as she can.

Brynlee's great-grandparents are well-known in NCCC through their travels around the USA competing in many Corvette events. Jim is a past RCD for their region; Joan is currently the webmaster for both NCCC and the Midwest Region. Their garage is home to three Corvettes including a 1986 and 2002. Great-grandpa is restoring their 1972 and thinks it may be done by the time Brynlee is old enough to drive.

**Congratulations, Brynlee, for being FCOA member #4200!**
