Spring 2014

About the Front Cover: Northern Rays Ltd. CC

The Northern Ray's Ltd. Corvette Club in Itasca, Illinois just celebrated 40 Years of Dedication to the Preservation of the Corvette. We did it in style and grace with a series of events including a photo shoot at the beautiful Robert R. McCormick Mansion at Cantigny Park in Wheaton, Illinois. This was a fitting site for the anniversary picture as it represents the spirit of giving that the McCormick family extends in a big way. Our Northern Rays family has created its own "spirit of giving" and has kept it alive for 40 years.

We are thankful for the opportunity to share our passion for driving, racing, repairing and simply enjoying our Corvettes! Northern Rays is also thankful for the opportunity to help others in our community and abroad. Through thoughtful planning our Club continues to support

organizations such as the Northern Illinois Food Bank, St. Jude's Children's Hospital and, New Life For Haiti, just to name a few. The spirit of giving resides within each of us.

Northern Ray's members have left their mark on Corvette competition in the Midwest Region. Our club has celebrated wins in high speed, low speed, drag racing and concours. We truly enjoyed coordinating the Drag Races at the 2011 NCCC National Convention in Tinley Park, Illinois, and, as we look forward to 2013, Northern Rays will continue to partner with local clubs to sponsor racing and rallye events. Partnering is a great way to learn, grow and support Corvette Fun. You can always learn more about our club and upcoming events through Facebook and our website at www.northernrayscorvetteclub.com.

To our Northern Rays members, our partners in NCCC and to all those who share the "spirit of giving" - Thank You for making the past 40 Years of Corvette celebration possible. We wish you good health, peace, and as always... remember to Save the Wave!
