Route 66 Corvette Club Tours Missouri State Penitentiary

If you haven't visited the old Missouri State Penitentiary in Jefferson City, Missouri, take some time out and do so. What a place to visit, not to stay long, just to visit.

The Route 66 Corvette Club made a road run from St. Charles, MO to Jefferson, MO thanks to our club members, Jeff and Patty Craig. The route they put together was outstanding. We took the backroads of Missouri, and backroads they were. Of course, the time of the year made it even more enjoyable. The Fall of the year is always a great time to do a run like this. The trees were totally in fall colors.

The tour they gave us was very informative. The tour guide took us through the various cell blocks, and we ended up taking turns sitting in the gas chamber. What an eerie feeling it was.

Since several members of our club enjoy ice cream, we all had to stop at Central Dairy in Jefferson City. The price is low, and the servings were huge. Just purchase their Banana Split, you will see what I am talking about.

Our club always has a good time on the many events we have each year. We may have to retake this one.
