Chester County Corvette Club (ER-451)

Central Minnesota Corvette Club (MW-538) (see information below from this new club)

Four Corners Corvette Club (RM-612)

Corvette Memphis, Inc. (SE-615)

Central Minnesota Corvette Association was born 28 years ago to bring together Corvette owners and enthusiasts in Central Minnesota.

The Club has evolved over the years and is going strong as a social club providing members with activities and Corvette runs that can be local or across the country. Not only do we build life-long relationships through membership in this organization, we share technical tips and advice.
