KETTLE MORAINE CELEBRATES 50 YEARS

The **Kettle Moraine Corvette Club**, headquartered in Sheboygan, Wisconsin, recently celebrated its 50th Anniversary. Composed of 125 members strong, this enthusiast organization was established in 1969 by a handful of Corvette owners and has grown in number with each passing decade.

We're often asked how our club got its name. Named after the winding and weaving countryside of Wisconsin's East coast - **Kettle Moraine** refers to the 120 mile stretch of the hills and kettles formed by the movement of the glaciers throughout the area years ago then add to this wondrous area 56,000 acres of State Forest making for great scenery and curvy roads any Corvette owner would truly love to drive. We invite you to visit Wisconsin!

The Kettle Moraine Corvette Club (KMCC) meets monthly with general membership meetings on the first Wednesday evening - visiting clubs are always welcome! Visit the KMCC club website www.kmccwi.org for details and location along with upcoming activities. KMCC is the official ambassador of the Corvette Corral at Road America in Elkhart Lake, Wisconsin. KMCC ambassadors love meeting Corvette owners from across the country at the annual IMSA race weekend in August and invite you to join us. Admission to the Road America Corvette Corral is free with your race ticket. For more information email info@roadamerica.com

Current 2020 officers for the Kettle Moraine Corvette Club include: President Mary Lou Haen, Vice President Gary Hoppe, Treasurer Rick Waldbauer, Secretary Bob O'Keefe and NCCC Governor Dick Huibregtse.
