RE: 66th Annual National Corvette Convention - August 15-22, 2025

Dear National Council of Corvette Club Members,

As the Mayor for the City of Wisconsin Dells, I would like to express our gratitude to the members of the National Council of Corvette Clubs for selecting Wisconsin Dells for the 66th Annual National Corvette Convention.

"The Dells" as we collectively call our destination, is comprised primarily of the City of Wisconsin Dells and the Village of Lake Delton and is well-known as "The Waterpark Capital of the World!®." The Dells is Wisconsin's premier tourist destination welcoming over 5 million visitors and contributing over \$40 million in state taxes and \$9 million in local taxes annually.

The Dells boasts over 90 family friendly attractions, 90+ restaurants, and an obscene amount of guest rooms making our destination a prime location to host this event. The Dells is conveniently located off of Interstate 90/94 and combined with our flexible facilities, Wisconsin Dells is the perfect spot for the 66th Annual National Corvette Convention.

We look forward to seeing you in downtown Wisconsin Dells in August 2025.

If you have further questions about my support, please contact me at your convenience.

Sincerely,

A handwritten signature in black ink that reads "Edward E. Wojnicz".

Letter from the President of Lake Delton

John Webb
Village President

50 Wisconsin Dells Parkway South; P.O. Box 87
Lake Delton WI 53940

July 18, 2024

Dear National Council of Corvette Club Members,

On behalf of the Village of Lake Delton I welcome you to "The Waterpark Capital of the World!®" in celebration of your 66th Annual Corvette Convention. Home to the Automotion Classic Car Show, held every year during the third weekend in May, it is an honor to celebrate the Corvette in our community this August!

The Dells has a long history of welcoming tourism to our community and Lake Delton is the original hometown of wonderful indoor waterpark venues such as the Kalahari Resort, Great Wolf Lodge, and the Wilderness Resort who all got their start here. While you are here, don't forget to soak up the rays at Mount Olympus or Noah's Ark, America's largest outdoor water park.

The Dells tourism economy, primarily located in Sauk County, leads the state in direct visitor spending in Wisconsin – 2nd only to Milwaukee which makes our community a Wisconsin Premier Resort Community. The dollars raised locally support our community by providing for parks, roads, and one of the premier emergency management programs in the state.

We look forward to sharing our hometown with you and are glad you are calling Lake Delton and the Wisconsin Dells home for one week this year. After you leave, don't forget to schedule the next trip here with your families and share this wonderful place we call "The Dells"!

Sincerely,

A handwritten signature in black ink, appearing to read "John Webb".

Your Entertainment for the Week

Sunday ~ Welcome Party Nauti-Nauti ~ Yacht Rock Band

Nauti-Nauti, a "Yacht Rock" band from Rockford, IL, has set sail for the cool, crystal blue waters of the 1970s and of the pre-MTV 1980s, breathing new life into some of the sweetest rock and pop tunes of the period – slickly produced, harmony-laden and instantly recognizable "earworms" that will transport any audience back to happier times of endless summers, 8-track players and transistor radios.

Monday ~ Champions Night The Magic of Matthew Teague

Matthew will allure you into a world of realm with his signature repertoire of illusions. Experience up close & personal magic like no other. No trap doors, no mirrors or special effects. From Madison, WI to the National stage, Matthew is a world class, award winning American magician.

Tuesday ~ 50s – 60s Party Vehicle6 Band

Vehicle 6 out of the Madison, WI area plays a wide variety of tunes from the 50s & 60s, 70s & 80s, Blues, Classic Rock, Pop & Country. They get your toes tapping and lure you on to the dance floor.

Thursday ~ Farewell Pizza Party The Jimmys

The Jimmys are excellent musicians, wildly fun entertainers and perform a slew of strong original songs. They are a treat for any fans of roots rock, old school R&B, and straight up blues.
