

FROM THE EDITORS

Due to popular demand we will publish the Midwest Region Newsletter on a Bi-Annual basis. The first issue was well received and the response that we did receive was very positive. Thank you to the people who returned their questionnaires.

Having just returned home from a great convention, where it was very hot, back to the Midwest where it is very hot, we would like to encourage all the members of the Midwest Region to consider attending the yearly NCCC Convention. The 1996 Convention will be held in Orlando, Florida. It sounds like they are going to have a lot of great things planned. Plans are also underway for the 1997 Convention in Cleveland, Ohio, which is nice and close for all of us in the Midwest.

You will notice as you read the Officer reports in the Newsletter that elections for Regional Officers will be held in the fall. Please consider getting involved in the Region. We really do have a great and a growing region. It will only stay that way if members continue to be involved in the everyday running of the region. Terry has included a job description of the offices. If you are interested in an office let your club Governor know as soon as possible, so he can submit your name to the nominating committee.

Corvettes of Minnesota, River City Corvette Club and Suburban Corvette Club of Minnesota are busy working on the Midwest Region Championship Series. Please read through the information in the Newsletter and notice that there is a September 6th deadline to reserve your room. Due to October Fests and other events in the area it is advised to reserve your rooms as soon as possible. Even if you aren't qualified yet you still have time! It is better to reserve the room and cancel it if you find you will not be able to attend the event.

We hope that you enjoy this Newsletter! If you have any questions or comments please feel free to direct them to your Governors or Regional Officers.

SAVE THE WAVE!

DAVE AND JOAN HEINEMANN

July 11, 1995

When this appears we will be more than halfway through our competitive season and convention will be another entry in the books.

We only have a short time before the Midwest Regional Championship Series will become a reality. There is still time, however, to qualify for this yearly event. There is a description elsewhere in this issue highlighting this important regional event. I hope to see all of you at the series after a year's hiatus.

The time is also very near to begin to thinking about qualified candidates to apply for the Midwest Region Officer Positions. The nominating committee has recently mailed out the request to your Governor to poll your club for possible nominees, either from your club or someone from another club. Remember that they must be either a primary or spouse member of NCCC for consideration. Help your governor complete this form and have it returned. You will find elsewhere in this issue a page of the job descriptions that are open every year for a one year term of office.

I would recommend anyone to run for an office because if you don't get out and become involved you won't know what a great organization the Midwest Region of NCCC really is. Get out and become involved and you can make a difference. Remember there isn't an organization or program so perfect that it can't be improved. This is an organization that needs you to make it viable and will always be run by you whether in your clubs, regions or NCCC. Over the last eight years or so it appears that there hasn't been any interest by new people in the operating part of this organization and that is a sorry state of affairs. This is no slight to all the people who have run for office over this period of time and have done a great job to keep the region active and solvent. But, we need new people to become involved. There should always at a minimum be two candidates for every office every year. This has not been the case at all for quite a long time. This year I would like to see the members of the region take this opportunity to run for an office just as they would a competitive event.

Anyway, this is quite late and I apologize for not getting this out sooner.

I hope to see a lot of you at the Regional Championship Series that begins September 23, 1995.

Save the Wave,
Brennan

Midwest Regional Job Descriptions

Regional Executive (RE)

- . This position is the Chief Executive Officer of the Region.
- . Is responsible to call and preside at a minimum of one meeting per calendar quarter for the purpose of conducting Regional business.
- . Is responsible for writing articles three times per year for Blue Bars Publication.
- . Required to attend the RE meetings at the National Board of Governors meetings.
- . Responsible for seeing that all clubs are represented at the National Board of Governors Meetings either by having the club present or using the proxy of the club not in attendance.

Regional Competition Director (RCD)

- . Is responsible for the conduct of the sanctioned competition events within the region.
- . Is responsible for the maintenance of all official NCCC results and standings for the region.
- . Required to attend the RCD meetings at the Board of Governors Meetings.
- . Performs the duties of the Regional Executive in the absence or disability of the Regional Executive.

- . Schedules the Annual Sanctioning Meeting.

Regional Membership Director (RMD)

- . Responsible for the promoting of membership in NCCC for the region.
- . Is responsible for distributing the required NCCC membership literature and answering all questions regarding membership from interested persons within the region.
- . Required to attend the RMD meetings at the National Board of Governors Meeting.
- . Performs the duties of the Regional Executive in the absence or disability of the Regional Executive and Regional Competition Director.

Regional Secretary

- . Is responsible to take minutes at all regional meetings and forward these minutes to all the governors within the region along with copies to all officers of the region.
- . Tapes of the meetings for the last twelve months will be available at all regional meetings. All meeting tapes are to be held for a minimum of three years. The tapes and records are to be kept by the regional secretary.
- . Attendance is requested at the regional meetings when held in conjunction

Midwest Regional Job Descriptions

with the NCCC Board of
Governors meetings.

Regional Treasurer

- Responsible for all monies collected by the region.
- Will issue a treasurer's report for all regional meetings.

Responsible for handling officer expenses except travel.

Attendance is requested at the regional meetings when held in conjunction with the NCCC Board of Governors meetings.

All regional officers, if in attendance at the Board of Governors meeting, are paid for mileage expense one way based on a central point of the region at the rate of \$ 0.25 per mile. Regional Treasurer and Secretary will only be paid if in attendance at the regional meeting held in conjunction with the NCCC Board of Governors Meeting. Travel expense is not allowed for any officer when meetings are held within the region.

YOU STILL HAVE TIME TO QUALIFY FOR THE MIDWEST REGION CHAMPIONSHIP SERIES!

The sanctioned competition events which are listed on the Midwest Region Event Calendar are the events which are used to accumulate "points" towards qualifying. The individual "points" are accumulated from January 1st through September 10th. In addition to the number of points required to qualify in each event type, a person must have entered a minimum of five (5) events during that time period. Please note that no travel, worker, or Chairperson points count; a person may receive one event participant credit for the event in which he/she was Chairperson or Co-Chairperson. A person may qualify in more than one class in Concours or Speed but must declare only one class when registering to participate in the Championship Series events. Points needed to qualify for the types of events are:

- * CONCOURS -- the points must all be earned in the same class; the number of points varies according to class. Wash & Show - 12; Street Show - 16 points; Concours Prepared, Modified, Custom, or Race Prepared - 20.
- * RALLYE -- 12 points - both driver and navigator must be qualified.
- * SPEED -- 25 points - the points must all be earned in the same class. Points for a Matching Time Trial count only if held in conjunction with a speed event. (Funkhanas and Drags do not count.)

There are still a lot of events that can be attended so you can be qualified. In the middle of September people who are qualified will receive an invitation in the mail to participate in the Championship Series. The information regarding the series is enclosed in this newsletter.

FROM THE DESK OF ROSE SCHMITT
MIDWEST REGION MEMBERSHIP DIRECTOR

July 1995

The Midwest Region is still in third place in the nation but we now have moved up to 1299 members and still coming in.

Elections for National and Regional Offices are coming up in November. National offices up for election are: VP-Competition, Secretary, Rsn Mgr, and Sgt-at-arms. If you are interested in running for one of these please contact me for the form. They are due back in by August 31. Regional offices up for election are: Regional Executive, Regional Competition Director, Regional Membership Director, Regional Secretary and Regional Treasurer. If you are interested in any of the above offices please contact the person holding that office now for more details on what the job entails.

Convention for 1996 is going to be in Orlando FL, and in 1997 the Cleveland OH area.

There is a Corvette Museum in the Syracuse NY area. Plan to stop and see it if you are in the area.

Internet connections has a new program, Route 66. It features information about Corvettes and Corvetting. The phone number is 301-840-8998. Information is given out by Bill Johns and service is available 24 hours a day.

Renewals for 1996 will be coming up in Oct-Nov. Members-at-large will be receiving a letter from me. Club members will be getting information from your Club Governor.

Any questions or comments please contact me. My number is 414-321-1461.

Save the Wave,

FROM THE RCD

Summer is well upon us and the competition season is under way. Included elsewhere in this newsletter you will find a partial points standings and a competition schedule for the rest of 1995. I hope you've taken time to try an event or two this year, but if you haven't, there are still plenty of events.

Mark September 23rd and 24th on your calendar - that's the date of the Midwest Region Championship Series. This weekend will include a concourse, a rally, a low speed event, and a party (a flier is included in this newsletter). You must be qualified and invited to participate in the competitive events, but everyone is invited to spectate and to the party. To qualify and be invited to the competitive events you must participate in minimum of five events (of any type) and earn a minimum number of points in a given class (See the last edition of the Midwest Region newsletter or your club Governor for details). There's still time, so why not give it a try??

By the time you are reading this, another years NCCC Convention will have passed. Next years convention will be held in Orlando, Florida and the 1997 convention will be held in the Cleveland, Ohio area. Why not try to schedule a summer vacation around a Corvette convention? You will be

exposed to a weeks worth of competitive events, including a concourse, high and low speed autocrosses, drag races, and a rally. Every night there is a party and themes usually include a 50's/60's night, western night, etc. If you've never attended an NCCC convention, you're missing a great time.

As Midwest RCD I sit on the NCCC competition committee along with thirteen other RCDs and the Vice President of Competition. Over the last three years we have worked hard on a new rulebook that should be ready for 1996. The book has been completely rewritten in a much more organized fashion. For the autocrosser there will be a new "Street tire" class that will allow you to compete equitably on "real" street tires. For the clubs hosting concourses, we have a new type of show called a "Peoples Choice" show. This will allow clubs to host a corvette show without all the work and judging that's involved in a normal concourse. Entrants and spectators would be allowed to vote for their favorite car in each class. Many hours have been devoted to this entire project and I think you will like the end product.

That's all for now - I hope to see you at some of the upcoming events this year.

Dale

1995 MIDWEST REGIONAL CHAMPIONSHIP SERIES

The 1995 Midwest Region Championship Series will be the combined efforts of three clubs.

They are: Corvettes Of Minnesota, River City Corvette Club, and Suburban Corvette Club Of Minnesota.

The Series will take place in the LaCrosse, Wisconsin area on Saturday and Sunday, September 23rd & 24th, 1995.

Tom and Vicki Griffin of Corvettes of Minnesota will chair the Rallye event. Rick and Sue Grothe from Suburban Corvettes will handle the Concours event. Mark Konrad and the River City Club will set-up the Auto-Cross event. Shawn Hanna, Suburban Corvettes, will handle the informal party and dinner.

To qualify for the Championship Series, an NCCC member must enter at least five (5) regional sanctioned events during the 1995 season. The cut off date for qualifying is September 5th 1995. Invitations will be sent out after this date.

The host clubs hope to see you in LaCrosse in September.
