This thought in Suburban Corvettes of Minnesota's newsletter from Sue, their President, makes a lot of sense to me! "It's not too late to add one more resolution to your New Year's list. Make 1999 the year you are more than a name on the roster. Be a player, not just a member. By being more active in the Club, you'll be surprised to see that by the end of 1999, so many members that used to be acquaintances are now your friends."
