

Corvette 2014 C7 coupe with automatic transmission and arctic white with gray interior 2 LT option with more than \$6,000 added in options. Failure free and driven 19,500 miles.  
Garaged every winter in Minneapolis, MN.  
Oil changes done every year by dealer.

Here are the options that have been added:

Chrome rims with almost new tires and TPMS sensors (over \$1200)  
Rear diffuser made in Germany with fins (over \$2,000)  
Front splitter in Carbon (over \$500)  
Side Skirts in Carbon (over \$500)  
Splash Guards on all 4 wheels (over \$100)  
Rear low spoiler in white color (over \$500)  
Jack Pads Pucks (over \$40)  
European Convex Mirrors (over \$100)  
Built-in radar warning system (over \$400)  
Italian compressor horn in addition (over \$50)  
Red painted brake calipers (a \$600 value)  
New car battery as it was not charged one winter (\$190)  
Lifting Pucks under the car (about \$50)  
Accessories at a price of \$6,000 at a minimum

Please email me for more pictures. I am asking \$39,900.

I have been the only owner since the C7 was delivered at the Corvette Museum.

Please contact me at my email: [trygves@aol.com](mailto:trygves@aol.com) if you are interested or want more photos.
