The Annual Sanctioning Meeting will be scheduled by the MWR RE per the procedure specified in Section 5.1. Item 7. (11/09/02)

2.1.2 ALLOWABLE SANCTIONED EVENT DATES

Sanction dates shall be per the NCCC Rulebook. Note: Currently the Rulebook allows sanction dates on Memorial Day, the 4th of July, Labor Day and weekends from January 1st through December 15th excluding National Governors' Meeting weekends and the weekends at the beginning and end of the National Convention. (11/05/88)

2.1.3 EVENT RESTRICTIONS

Events will be regulated per the NCCC Rulebook. For events of the same type to be held on the same day there must be more than 150 miles between sites except for those held at the same location. (11/05/88) (01/01/96) (09/07/19)

2.1.4 PRIORITY DATES

Priority dates will be established by numbering each weekend starting with the first full or partial weekend in January as "number one (1)". Priority for reserving event sanction dates is given to Clubs hosting events of the same type held on the same day of the same numbered weekend of the previous year. Example: If Club "A" had a Concours on the Saturday of weekend number 20 last year, it would have priority for a Concours on the Saturday of weekend number 20 this year. Exception: Clubs hosting events on Memorial Day or Labor Day weekends of the previous year shall have priority for that holiday weekend. (11/05/88)

- 2.1.4.1 If a Club's event priority date is preempted by a National Governors' Meeting, National Convention, Memorial Day weekend or Labor Day weekend, the Club's priority date will be on the weekend left vacant by the moving of the Governors' Meeting, Convention or holiday weekend. (11/05/88)

A club's event Priority Date, preempted by the National Convention, will return to its original Priority Date when the National Convention leaves that date.

Priority Dates, preempted by the current year National Convention, will move into the weekends vacated by Priority Dates returning to their original weekends.

The schedule shall always contain weekends to accommodate events preempted by the National Convention (11/12/2016)

- 2.1.4.2 If no priority exists for a given date and conflicting events are requested, the conflicts must be resolved by negotiation between the Clubs involved or, as a last resort, a "luck of the draw" selection. (11/05/88)

- 2.1.4.3 Clubs are allowed to exchange priority dates provided that it does not cause conflicts with other established events. (11/05/88)

2.1.5 SANCTION CONFIRMATION

Dates and events are not confirmed until the RCD receives your completed sanction request by December 15th. Events not confirmed by then will be removed from the schedule. Sanction requests may be waived for events scheduled during the annual sanction meeting.

2.1.6 SANCTION REQUESTS

Sanction requests must contain the event date, event address, event type, and sanction type. Other event information is not required until the flyer is submitted.

2.2 EVENT CHANGE/CANCELLATION

If your club is assigned a number for a championship point's event, you have to send a notice out to all the Governors in the region if that event is canceled or if there is a site change. (07/24/82)

If you have to cancel an event during the year, do it ASAP! This will allow another club to use that weekend if there is enough time to do all the proper paperwork within the deadlines. (12/05/82 - 12/04/83)

2.3 REGION FUNDRAISER

"Region Fundraiser" events will be considered at the Annual Sanctioning meeting. Event Sanctions will be donated by willing clubs and the financial benefit of these events will be deposited in the Midwest Region Checking Account (02/23/13)

5. MIDWEST REGIONAL EXECUTIVE (RE)

5.1 GENERAL

5.1.1 CLUB REPRESENTATION

The Regional Executive has the responsibility of seeing that each club is represented at a minimum of three (3) National Governors Meetings, either by the Governor, a Proxy Governor, or by the use of a Proxy form. (02/23/2013)

5.1.2 PROXY FORMS

The RE will electronically send the current Proxy form and instructions to each Governor on or before January 15. Governors will accurately complete the Proxy form and return it to the RE on or before February 1. Proxies are used when the Governor or a Proxy Governor are not in attendance. Since there are three ways to be represented at a meeting (Governor attendance, Proxy Governor attendance or use of a Proxy form), there should be no reason why a club cannot be represented 100% of the time at Regional or National Governors meetings. (02/23/2013)

NOTE: A sample NCCC Proxy form and instructions for completion are included in Appendix V

When you get to the National meeting, check in with the RE so that a proxy for your club is not filed with the NCCC Secretary.

5.1.3 PURPOSE OF PROXY

The purpose of the proxy is to be sure each club is represented by the RE on voting matters at the National meeting. Please advise the RE of your vote on pending matters; if you do not, the RE will cast your vote in accordance with the vote of the majority of the Governors present. (12/04/1983)

5.1.4 BLUE BARS ARTICLE

The RE will write a regional article for each issue of Blue Bars per a schedule established by the Blue Bars Editor. Submit ideas to the RE to share with the rest of the Midwest Region and NCCC.

5.1.5 RE ASSISTANCE

If there is anything the RE can do to make your position as Governor easier; please feel free to contact them. If the RE does not have an answer, they will get one for you. (01/01/1982)

5.1.6 SANCTIONING MEETING SCHEDULING

With the approval of the Governors present at the annual Sanctioning Meeting, the RE shall schedule dates for the next year's Regional Meetings and set a tentative date for the next year's Sanctioning Meeting. At the following September Meeting, the date for the Sanctioning Meeting will be confirmed and approved by the Governors present. (04/13/1985) (11/09/2002)

6. MIDWEST REGIONAL MEMBERSHIP DIRECTOR (RMD)

6.1 GENERAL

The Midwest Regional Membership Director will accept all Club changes, membership renewals and new membership applications when submitted by the current Governor of the Club. The latest NCCC Membership Application form will be the only form accepted after all previous forms are deleted. (Current form dated 10/1999)

6.1.1 APPLICATION FORM

NCCC membership application(s) may be forwarded to the Regional Membership Director at any time during the year when accompanied with a club check made payable to “National Council of Corvette Clubs or NCCC” for the total amount of the application(s). Do not hold application(s) received during the year for the annual renewal month of November of each calendar year. All new memberships paid on or after September 1, will be automatically renewed for the next calendar year.

It is the Governor’s responsibility to have all the members’ information filled in on the application form. This information is to be legible (on all copies of the form) and include the applicant’s signature showing certification that the applicant is at least sixteen (16) years of age. This requirement is for a primary or spouse membership.

If the application is for a dependent member, then the age requirement shall be between the ages of sixteen (16) and twenty-one (21) years of age. (05/14/1983) [NCCC Age Changes. (11/14/1998)]

The Regional Membership Director upon receipt of the NCCC Membership Application(s) will review the form(s) for all information and required monies before forwarding for additional processing. When all the requirements are met, the RMD will forward the application(s) and the Club check(s) or money order(s) for the required dues to the NCCC Vice-President of Membership. The NCCC Vice-President will verify the NCCC number(s) and notify the NCCC Computer Center, for entry into the membership database, and the National Distribution Center. The National Distribution Center will send members their membership card and any additional items or information as required. (09/08/12)

Membership Effective Date -- An individual is officially a member of NCCC when the RMD receives a correctly completed membership application and the money. (03/06/82)

There are only as many spaces on the NCCC printout as there are boxes on the NCCC Membership Form. Abbreviate as required or the entry information will only be filled as there are allotted spaces for each field on the NCCC printout.

The only exception for the requirements as shown above is for changes of address or automobile. The Governor in this instance may initial the form, if supplied, and forward to the Regional Membership Director.

An alternate method is that any member may change his or her own address or automobile by using the NCCC web-site address form change. (www.corvettenccc.org)

The Regional Membership Director shall have all membership information available at all Corvette events, when in attendance, in order that memberships or existing NCCC numbers can be processed or verified. (01/01/1982)

6.1.2 NCCC NUMBER ASSIGNMENT

Only the Regional Membership Director has the authority to assign NCCC numbers for each Club. This part of the membership application form should not be filled in unless it is to advise the Regional Membership Director of an existing NCCC number for the specific member. The Governor should review all applicants for a previous NCCC number before forwarding to the Regional Membership Director. Each Club Governor will keep and maintain a master book(s) that will include the entire assigned Club’s NCCC number(s).

6.1.3 SPOUSE MEMBER CLARIFICATION

The Midwest Region shall follow the NCCC guidelines concerning spouse members. (12/08/91)

6.1.4 SPLIT MEMBERSHIP

Should a couple wish to belong to separate NCCC Clubs, they can do this by declaring one a primary member in one of the clubs and the other a spouse member in the second Club. Numbers cannot be reassigned. Example: Member MW001 123 would like MW001 001 because this member did not renew.

6.1.5 CLUB INFORMATION FORMS

6.1.5.1 MEETING

This form is to be returned each year at renewal time. All fields must be filled along with the location and time of the meeting. Please include the city as it assists when trying to locate a club for a new member. (01/12/84)

6.1.5.2 CLUB OFFICER LIST

The Club Officer Listing Form is to be submitted with the NCCC renewal information. (03/21/98)

6.1.6 MAILING LIST

6.1.6.1 A Midwest Region Mailing List (including Governors and Regional Officers) will be compiled by December 15 of each year based on renewal information received. This listing is to be mailed to each incoming Governor, Regional Officer, VP of Membership, NCCC Business Manager and NCCC Secretary. Updating of the mailing list will be accomplished throughout the membership year. If there are any changes in the name/address/phone or Governor, please advise the Regional Membership Director immediately. (02/06/82)

6.1.7 NEW MEMBER HANDOUTS

Extra patches and decals may be purchased through the National Distribution Center (NDC). (09/08/12)

6.1.8 NEW MEMBER INQUIRY LETTERS

All inquiries regarding membership received by the RMD should be forward to the applicable Club(s). (05/14/83)

6.1.9 CLUB CERTIFICATES

6.1.10 RMD'S MEMBERSHIP CHECKING ACCOUNT

6.1.10.2 The RMD's Membership Checking Account shall be closed by February 2003 with the monies from the account to be returned to the MWR Treasury. (09/14/02)
