

NCCC MIDWEST REGION JOINS THE ONE-ACRE CLUB

The National Council of Corvette Clubs Midwest Region (NCCC MWR) is made up of 31 clubs and 2329 members. The MWR is a very active region with 191 sanctioned events scheduled this year, 141 of which are Low Speed Autocrosses. This includes an annual MWR Autocross Fundraiser event that draws a large number of the region members.

Gary Kelly, a motorsports enthusiast and a member of Badger State Vettes in the NCCC MWR, has been a big proponent of the NCM Motorsports Park. With the nearby Corvette Assembly Plant and Corvette Museum, Gary felt that the Motorsports Park would be an ideal place to hold future NCCC Conventions, be a possible site for future MWR Fundraiser weekends and a convenient place for MWR members to get track time. He wanted the MWR to be known as a contributor to the development of the Motorsports Park.

Working with NCM's Development Coordinator, Connie Russell, Gary made a presentation on the Motorsports Park at the MWR Governors Meeting on April 27, 2013 encouraging the region to purchase one acre. The proposal received immediate support from a number of the regions Governors. After sharing the presentation with all clubs, 100% of the MWR clubs present voted to approve the one acre purchase at its September 14, 2013 meeting. A contributing factor to the approval of the purchase was that the purchase dollars can be used to purchase track time for the MWR.

Midwest Region Meeting Minutes for September 14, 2013

MWR Regional Executive, Larry Pagliaro

Electronic e-polling was used for the decision of the region purchasing an acre at the National Corvette Museum Motorsports Park. Polling indicated a positive response to the purchase. Gary has one acre reserved for us until we had this vote. Tom asked which of the two types of purchases this proposal is for. One is tax deductible and the other is "buying" track time. Gary was not sure how much track time this consisted of. A group is treated like an individual with regard to the benefits of purchasing an acre.

Dave Heinemann remade a motion that the MWR purchase one acre at the National Corvette Museum Motorsports Park for an annual cost of \$3,000 per year for five years, 2nd by Dave Murphy and approved by all governors in attendance.

NOTE: The Gary that Larry refers to above is Gary Kelly from Badger State Vettes

Dear NCCC Midwest Region Members,

Thank you for purchasing an acre in the Museum's planned Motorsports Park! We are working hard to make the park a reality and sincerely appreciate your active role in helping us reach our goal. We have posted your \$3,000 check today and set you up to pay \$3,000 per year for a total of five years, totaling \$15,000 for one acre.

I understand you have elected to use your purchase for track time. Annually we recognize our donors in the March/April issue of *America's Sports Car*. Please let us know if you would prefer for your name to be listed as a confidential donor. Donors making a gift or multiple gifts totaling \$1,000 or greater for a calendar year will also receive an invitation to our *Winner's Circle & Duntov Society Evening* held during our annual Bash event. Our 2014 Winner's Circle evening will be held on Friday, April 25, and we would love to have you join us if your schedule permits.

The National Corvette Museum's mission is to celebrate the creation of the Corvette, preserve its past, present and future, and serve as an educational and research model for collectors and enthusiasts from all 50 states and around the world. Your acre purchase will help us move forward with the Motorsports Park that will support our mission and make the Museum an even more fun and exciting place for families and enthusiasts to visit.

Please visit us every chance you get, and we please share our story with other Corvette enthusiasts. If we can be of assistance, please contact us at 1-800-53VETTE or email me at strode@corvettemuseum.org or Connie at connie@corvettemuseum.org.

Thanks so much for your support of the National Corvette Museum!

Sincerely,

Wendell K. Strode
Executive Director

Greatly Appreciated!!
